RULES:

- ✓ No Santa imposters. ☺ The only live Santa allowed in the parade will be bringing up the rear of the parade on a fire truck.
- ✓ Lighting is recommended for all types of parade entries.
- ✓ Please place a sign on both sides of your entry or at the front of your walking group so parade watchers know who you are or who you are representing.
- ✓ The throwing of objects is *prohibited* and will be enforced. Because of the nighttime parade, safety of children is very important. A child darting into the street after candy becomes a big concern. Candy may be handed out by people walking with your entry.
- ✓ Entries can tune into Super Hits 106.1 FM, during the parade for holiday music; however, this will not be uninterrupted music.
- ✓ You are responsible to get your entry to, through, and from the parade.
- ✓ Please note that rules are subject to change. Each entrant will be notified of any changes.

Return both pages of the entry form by November 15, 2017 to:
