RULES:

- ✓ No Santa imposters. ☺ The only live Santa allowed in the parade will be bringing up the rear of the parade on a fire truck.
- ✓ Due to safety concerns during a night parade, there will be **no animals** allowed in the parade.
- ✓ Lighting is recommended for all types of parade entries.
- ✓ Please place a sign on both sides of your entry or at the front of your walking group so parade watchers know who you are or who you are representing.
- ✓ The throwing of objects is *prohibited* and will be enforced. Because of the nighttime parade, safety of children is very important. A child darting into the street after candy becomes a big concern. Candy may be handed out by people walking with your entry.
- ✓ You are responsible to get your entry to, through, and from the parade.
- ✓ Please note that rules are subject to change. Each entrant will be notified of any changes.
