## CASSVILLE

### DAY TRIP - HISTORY

#### **Cassville Farmall Museum**

Located on the great river road, the museum features a nearly complete collection of the Farmall letter series tractors in all phases of restoration. There are also antique implements as well as horse drawn equipment. Open to the public for a stroll down memory lane

#### **Cassville Walking Tour**

The History Walking Tour presents an opportunity to view buildings erected by early Cassville residents. These buildings and sites were chosen for their architectural and historical significance in the development of Cassville as a river town and center of commerce. 27 Buildings.

#### **Moon's Town Pump**

Moon's is a casual tavern & restaurant with a diverse menu and a fun atmosphere! Grab a bite to eat and sit in the dining room. The building is full of local history adorning the old brick walls.

#### **Nelson Dewey Home**

Relive the story of Wisconsin from the beginning on a tour of the home site of Nelson Dewey, our first governor. Make a connection with our agricultural roots with a stroll through Stonefield's re-created rural village, visit a 1900s farmstead, and explore the largest collection of farming objects in the state at the Wisconsin State Agricultural Museum.
